December 20, 1848.

The Secretary of the Senate has the honor to report a detailed statement, prepared in obedience to the 20th section of the act of the 26th August, 1842, of the manner in which the contingent fund of the Senate has been expended during the year ending the 2d December, 1848; the expenditures have been examined and passed by the Committee to Audit and Control the Contingent Expenses of the Senate. The whole amount appropriated for the contingent expenses of the Senate has been disbursed.

The Secretary also reports an expenditure from the appropriation made by the act of 3d March, 1847, "for the contingent fund of the Senate, to enable its Secretary to comply with their resolutions passed February 18th and February 20th, for the purchase of certain books;" this expenditure having likewise been examined and passed by the committee. The amount of the appropriation remaining unexpended on the 2d instant was 31 cents, which is in the Treasury.

All which is respectfully submitted.
